While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

For purposes of these guidelines the Venice area is Santa Monica City limits to the north, Lincoln Boulevard to the East, Pacific Ocean to the west and Washington Boulevard to the South (including the Strand which is Pacific Avenue, Washington Boulevard, Via Marina, and the Pacific Ocean)

- **Speedway shall not be used for parking of vehicles or equipment and must remain open to emergency vehicles.**

- **All vehicles and equipment (including private automobiles) associated with the production company shall be legally parked unless specific exemption is granted by the film permit.** No vehicles or equipment shall be permitted to park on Ocean Front Walk or the Venice Recreation Area property unless approved by The Department of Recreation and Parks. The use of private parking lots is strongly encouraged. Publicly owned parking lots in the area are managed by PCI parking and must be added to the filming permit and cleared with the appropriate agency.

- **It is the responsibility of the production company to deploy sufficient police officers to ensure that traffic flow in the area is not unreasonably hindered.**
